

Index

VOLUME 50

A

| ABSTRACTS | PAGE |
|--|------|
| Acute renal failure in leprosy. P. C. SINGHAL, K. S. CHUGH, S. KAUR and A. K. MALIK | 105 |
| Antibody activity against <i>Mycobacterium leprae</i> antigen 7 during the first year of DDS treatment in lepromatous (BL-LL) leprosy. R. MELSOM, B. NAAFS, M. HARBOE and O. CLOSS | 103 |
| Application of an economic model to the study of leprosy control costs. M. F. LECHAT, C. VELLUT, C. B. MISSON and J. Y. MISSON | 178 |
| Approach for the <i>in vitro</i> screening of drugs for activity against leprosy, an. L. KARO, E. MANKIEWICZ and I. DE THOKOLY | 337 |
| Aspectos da "incidência" da hanseníase no Estado de São Paulo em 1976. W. BELDA | 344 |
| Assessment of Dharmendra antigen. U. SENGUPTA, G. RAMV and K. V. DESIKAN | 339 |
| Assessment of school surveys as a method of case detection in an urban area endemic for leprosy. R. GANAPATI, S. S. PANDYA, S. S. NAIK, V. V. DONGRE and N. G. A. DESOUZA | 177 |
| Associação de hanseníase e periarterite nodosa. HANSENOLOGIA INT., 1977 v. 2, No 1. | 174 |
| Associated cases in the families of school children with leprosy. R. GANAPATI, C. R. REVANKAR, CHRISTINA and ROMANO | 105 |
| Bilan de recherches physiopathologiques sur la névrite lépreuse. I. A. CARAYON, J. L. COURBIL, M. BRUN, J. ROFRI and J. MARTINE | 342 |
| Blood histamine and histaminase in leprosy patients—a short communication. V. RAI, G. SINGH, R. H. SINGH and K. N. UDUPA | 104 |
| Bone-marrow in tuberculoid leprosy. R. V. KORANNE, R. SINGH and B. IYENGAR | 175 |
| Cholesterol, a factor which is required for growth of mycobacteria from leprosy tissues. L. KATO | 266 |
| Clinicopathological study of 244 cases of leprosy with special reference to histoid variety, a. R. MALIK, R. KHANDPUR, K. CHANDRA and R. SINGH | 105 |
| Clofazimina. G30320-B663-Lamprén. A. CASTRO-COTO | 343 |
| Combinations of rifampicin and isoprodian in the treatment of <i>Mycobacterium leprae</i> infections in mice. Y. MATSUO, S. UTSUNOMIYA, N. KAJIHARA and S. K. KIM | 175 |

- Comparative effects of sulfones and rifampin on growth of *Mycobacterium lepraemurium* in macrophage diffusion chamber cultures. W. A. RIGHTSEL, M. F. SAWYERS and J. H. PETERS 101
- Comparative study of skin reactions in leprosy patients to *M. leprae*-lepromin and to ICRC in, an antigen from cultivable acid-fast bacilli from *M. leprae* isolated from lepromatous nodules. C. V. BAPAT, M. S. MODAK, N. G. A. DESOUZA and R. G. CHULAWALLA 171
- Comparison of low and conventional dosages of dapsone in the treatment of lepromatous leprosy, a. C. G. S. IYER, S. BALAKRISHNAN and G. RAMU 176
- [Cultivation of *Mycobacterium leprae* on modified 1% Ogawa yolk media.] T. MORI 176
- [Cultivation of *Mycobacterium lepraemurium* under low oxygen tensions.] T. MORI 169
- Cutaneous leishmaniasis and leprosy. R. StC. BARNETSON and A. D. M. BRYCESON 174
- Cytological studies on globi in leprosy. E. V. COWDRY 339
- Dapsone in wheat flour as a possible method of therapy in leprosy. A laboratory report. S. S. NAIK and S. S. PANDYA 176
- Décompression des névrites réactionelles dans la lèpre: Justification physiopathologique et méthodes objectives pour en apprécier les résultats. B. NAAFS and J. B. A. VAN DROOGENBROECK 343
- Delayed hypersensitivity skin reactions to lepromin prepared from *M. leprae* and selected cultivable mycobacteria. Investigations at the Victoria hospital, Dichpalli. L. M. HOGERZEIL and N. PRABHVDASS 339
- Demonstration of dapsone in urine and serum by ELISA inhibition. H. HUIKSHOVEN *et al.* 104
- Early cellular response to *M. leprae*: an ultrastructural study, the. S. M. CHANDI and C. K. JOB 267
- Early immune responses in nude mouse following intravenous injection of *Mycobacterium leprae*. F. MINAGAWA, Y. YOSHINO and M. ABE 171
- Effect of treatment *in vivo* with Triton WR-1339 and Macrocydon on infection of the mouse foot-pad by *Mycobacterium leprae*. J. DELVILLE and P. J. JACQUES 167
- Electron microscopic observations of cell division in *Mycobacterium leprae* by means of serial ultrathin sectioning. T. HIRATA 166
- Electronmicroscopic study of histoid leprosy with special reference to its histogenesis. C. K. JOB, C. J. B. CHACKO and P. M. TAYLOR 171
- Electrophoresis and immuno-electrophoresis in leprosy. A. SAOJI, A. MEM and K. D. SHARMA 267

- Encouraging results from DDS urine analysis among registered leprosy patients in the Wangas, Kenya: an exception that challenges the rule. H. HUIKSHOVEN and I. BIJLEVELD 104
- [Epidemiological study on leprosy in Okinawa Island. The third report; on the islets.] K. SAIKAWA 177
- [Epidemiological study on leprosy in the Ryukyu Islands. The 5th report: on leprosy in the urban area.] K. SAIKAWA 177
- Epidemiology of leprosy in Iran. K. NASSERI and Y. H. KO 178
- Essai de differents protocoles thérapeutiques antilépreux avec rifampicine initiale suivie d'associations de sulfones et d'immunostimulants. P. SAINT-ANDRÉ, M. LOUVET, P. GIRAUDEAU and G. DISCAMPS 344
- [Establishment of experimental leprosy in nude mice.] K. KOHSAKA, M. MAKINO, T. MORI and T. ITO 167
- Estudio clinico-epidemiologico de los enfermos ingresados en el hospital "El Rincon". [Clinicoepidemiological study of (leprosy) patients admitted to the "El Rincon" hospital.] J. DÍAZ ALMEIDA, G. FERNANDEZ BAQUERO, V. G. MENÉNDEZ GARCIA, B. SAGARO DELGADO, H. MUÑOZ and G. TOLEDO 106
- Ethiopian experience in health manpower training. W. P. CHANG 264
- Étude comparative d'une série de nerfs lépreux décomprimés chirurgicalement par rapport aux nerfs controlatéraux non opérés. J. B. A. VAN DROOGENBROECK and B. NAATS 343
- Evaluation of bacteraemia in leprosy patients. SREEVATSA, U. SENGUPTA, G. RAMU and K. V. DESIKAN 166
- Examination of North American armadillos for mycobacteriosis. W. F. KIRCHHEIMER and R. M. SANCHEZ 166
- Experimental transmission of leprosy world-wide. W. F. KIRCHHEIMER 338
- Extended studies on chemoprophylaxis against leprosy. S. K. NOORDEEN and P. N. NEELAN 269
- Fatal proliferative glomerulonephritis in lepromatous leprosy. T. R. BEDI, S. KAUR, P. C. SINGHAL, B. KUMAR and C. K. BANERJEE 105
- Fine needle aspiration of lymph nodes in leprosy. A study of bacteriologic and morphologic indices. S. KAUR, B. KUMAR and S. K. GUPTA 168
- Formation of antibody against *Mycobacterium leprae* antigen 7 in armadillos. M. HARBOE, O. CLOSS, R. J. W. REES and G. P. WALSH 265
- Frequency of cerebrovascular lesions in leprosia. M. FURUTA *et al.* 269
- Genetic factors in leprosy: a study of children in Uganda. S. J. WHITE, M. M. STONE and C. HOWLAND 106, 162

| | |
|--|-----|
| Growth of sulfone-resistant <i>M. leprae</i> in the foot pads of mice fed dapsone. R. C. HASTINGS | 338 |
| Growth of the ICRC bacilli in the footpad of mice. C. V. PBAPAT and M. S. MODAK | 337 |
| Health education in leprosy: the problem of overcoming fear and misconceptions. M. A. PHILLIPS | 179 |
| Heat stability of <i>Mycobacterium leprae</i> immunogenicity. C. C. SHEPARD, L. L. WALKER and R. VAN LANDINGHAM | 164 |
| Hepatic lesions in asymptomatic children of leprosy patients. M. M. MITTAL, H. B. MAHESHWARI, K. SAHA and R. SHARMA | 340 |
| Histopathological study of lymphnodes in 43 cases of leprosy. J. C. GUPTA, P. K. PANDA, K. K. SHRIVASTAVA, S. SINGH and D. K. A. GUPTA | 171 |
| Histopathologic study of renal biopsies in fifty cases of leprosy, a. J. C. GUPTA, R. DIWAKAR, S. SINGH, D. K. GUPTA and P. K. PANDA | 103 |
| Immune response of leprosy patients to hepatitis B. virus. S. SERJEANTSON and D. G. WOODFIELD | 172 |
| Immunity to <i>Mycobacterium leprae</i> infections induced in mice by BCG vaccination at different times before or after challenge. C. C. SHEPARD, L. L. WALKER and R. M. VAN LANDINGHAM | 99 |
| Impairment of cell-mediated immune responses by infection with <i>Mycobacterium lepraemurium</i> . N. E. BULLOCK, P. E. EVANS and A. R. FILOMENO | 103 |
| India's role in the fight against leprosy. S. G. BROWNE | 345 |
| Induction of cell-mediated immunity to <i>Mycobacterium leprae</i> in mice. P. J. PATEL and M. J. LEFFORD | 340 |
| Induction of cell-mediated immunity to <i>Mycobacterium lepraemurium</i> in susceptible mice. M. J. LEFFORD, P. J. PATEL, L. W. POULTER and G. B. MACKANESS | 102 |
| Insensitive feet. A practical handbook on foot problems in leprosy. P. BRAND | 269 |
| Integrated leprosy control in Guyana. A. C. McDOUGALL and P. ROSE | 346 |
| Integration of leprosy control work with general health services as planned in Maharashtra. P. KAPOOR, N. S. DEODHAR and M. V. YELLAPURKAR | 177 |
| Intérêt en léprologie d'un indice névritique de gravité et d'évolutivité établi d'après la vitesse de conduction motrice dans les nerfs cubitiaux et médians. B. NAAFS and J. B. A. VAN DROOGEN/BROECK | 342 |
| Introductory rifampicin therapy in lepromatous leprosy: a six month follow-up study. B. K. GIRDHAR, G. RAMU, SREEVATSA and K. V. DESIKAN | 343 |
| <i>In-vitro</i> lymphoproliferative response to <i>Mycobacterium leprae</i> of HLA-D-identical siblings of lepromatous leprosy patients. G. L. STONER, J. TOUW, A. BELEHU and B. NAAFS | 268 |

| | |
|---|-----|
| <i>In vitro</i> modulation of lymphocyte responses to phytohaemagglutinin by plasma in mother and baby at the time of birth. Increased lymphocyte responses in babies of mothers with lepromatous leprosy. G. BJUNE, E. DUNCAN, R. StC. BARNETSON and R. MELSOM | 341 |
| Involvement of the gastrointestinal tract in leprosy. S. KAUR, S. K. MEHTA, B. KUMAR, R. N. CHAKRAVARTY and H. K. SIDHU | 342 |
| Irregularity of dapsone intake in infectious leprosy patients attending an urban treatment centre—its magnitude and causes. S. S. NAIK | 343 |
| La lèpre en Éthiopie: situation actuelle. [Leprosy in Ethiopia.] J. A. CAP and B. MULATU | 266 |
| L'antigene e (HB _e Ag) nella lebbra. M. NUTI, G. C. TARABINI, G. C. L. TARABINI and G. THAMER | 173 |
| Leprosy. WKLY. EPIDEM. REC. 1978, v. 53, No 20 | 179 |
| Leprosy—a clinicoepidemiological study in a rural population of Bundelkhand. P. NIGAM, B. L. VERMA and R. N. SRIVASTAVA | 178 |
| Leprosy: cultivation of the etiologic agent, immunology, and animal models. SCIENTIFIC PUBLICATION No 542 of the PAN AMERICAN HEALTH ORGANIZATION | 100 |
| Leprosy and ABO blood groups. S. V. DATAR, M. S. PANSARE and V. A. KATTI | 175 |
| Leprosy in Hong Kong, past present and future. N. R. HONEY | 178 |
| Leprosy in Jodhpur (Rajasthan). Clinical and epidemiological study. N. K. MATHUR, A. J. KANWAR, G. KALLA and J. S. UJWAL | 345 |
| Liver lesions in experimental lepromatoid leprosy of the armadillo. A histopathologic study. C. K. JOB, W. F. KIRCHHEIMER and R. M. SANCHEZ | 172 |
| Long term effects of chemoprophylaxis among contacts of lepromatous cases. Results of an 8½ years follow-up. S. K. NOORDEEN | 175 |
| Lucio's phenomenon and diffuse non-nodular lepromatous leprosy. T. H. REA and N. E. LEVAN | 340 |
| Microbiological studies of plantar ulcers in leprosy patients. SEOK DON PARK | 338 |
| Monitoring self administration of dapsone by patients. S. BALAKRISHNAN | 175 |
| [Multiplication of <i>Mycobacterium lepraemurium</i> in cell-free liquid and medium. 12. Growth of <i>Myco. lepraemurium</i> grown on egg-yolk solid medium in the liquid medium.] M. NAKAMURA, K. CHIBA and Y. TANAKA | 167 |
| <i>Mycobacterium leprae</i> found in epidermal cells by electron microscopy. S. OKADA, J. KOMURA and M. NISHIURA | 174 |
| <i>Mycobacterium leprae</i> in the striated muscle of tuberculoid leprosy patients. R. V. KORANNE, R. SINGH and B. IYENGAR | 176 |

| | |
|--|-----|
| [Observation of <i>M. lepraemurium</i> in sub-cutaneous tissue of mice by spread tissue preparations.] M. MATSUOKA and Y. KAWAGUCHI | 169 |
| Ocular immunoglobulins in lepromatous leprosy. K. SAHA, G. S. SARIN, A. K. CHAKRABORTY and D. K. SEN | 173 |
| Pathogenicity of cultivated murine leprosy bacilli of Hawaiian-Ogawa strain in mice. I. The pathogenicity of bacilli from rough colonies. Y. KAWAGUCHI, M. MATSUOKA and K. KAWATSU | 168 |
| Pathology of leprosy, the. D. S. RIDLEY | 268 |
| Persistence of Australia antigen in leprosy—a frustrating puzzle in immunology. A. M. SAOJI and A. R. MENE | 174 |
| Plantar ulcers with osteomyelitis underneath. A bacteriological study. D. D. PALANDE, C. DE SEVERY and M. S. RAJAGOPALAN | 104 |
| Polymorphonuclear cell function in the various polar types of leprosy and erythema nodosum leprosum. R. SHER, R. ANDERSON, A. GLOVER and A. A. WADEE | 267 |
| Primary sulphone resistance: a preliminary report. B. K. GIRDHAR, SREEVATSA and K. V. DESIKAN | 176 |
| Pune Urban Leprosy Investigation Centre. Report for the period April 1975 to December 1976. LEPR. INDIA, 1977, v. 49, No 3 | 179 |
| Rapid test for bacillary resistance to dapsone, a. E. J. AMBROSE, S. R. KHANOLKAR and R. G. CHULAWALLA | 163 |
| Reaction in leprosy complicated by filariasis. P. NIGAM, B. M. GOYAL, D. N. MISHRA and K. C. SAMUEL | 269 |
| Renal amyloidosis in leprosy. Functional and histopathologic studies. A. G. ATTA, R. N. FLEURY, R. L. MARINGONI, A. S. TRINDADE Jr., C. B. F. RUFINO, and B. S. FILHO | 102 |
| Role of macrophages in the lympho-proliferative response to <i>Mycobacterium leprae in vitro</i> , the. H. HIRSCHBERG | 268 |
| Secondary amyloidosis and the serum amyloid precursor in leprosy: geographical variation and association with leukocytosis. K. P. W. J. McADAM, R. F. ANDERS, G. AIKEN and F. F. TAKITAKI | 102 |
| Self-healing in non-lepromatous leprosy in the area of the ELEM Leprosy Control Project Dharmapuri (Tamil Nadu). v. EKAMBARAM and M. SITHAMBARAM | 174 |
| Sequential biochemical investigations in lepromatous leprosy. K. VENKATESAN and V. P. BHARADWAJ | 267 |
| Serum alpha-1-antitrypsin in various forms of leprosy. S. K. AGARWAL and K. SAHA | 171 |
| Serum and tissue lysozyme in leprosy. T. H. REA and C. R. TAYLOR | 268 |
| Serum calcium and magnesium in different types of leprosy. S. N. SINHA, S. C. GUPTA and D. BISHT | 105 |
| Serum proteins and immunoglobulins in leprosy. S. C. GUPTA <i>et al.</i> | 339 |
| Specific and non-specific resistance in mice immunized with | |

- irradiated *Mycobacterium leprae*. P. J. PATEL and M. J. LEFFORD 340
- Sponsorship of children of leprosy parents. A. KULKARNI 345
- Stability of individual anti-mycobacterial precipitation patterns during treatment for lepromatous leprosy. B. BJORVATN, B. NAAFS and G. KRONVALL 341
- Statistical analysis of two chemotherapy trials in lepromatous leprosy: I. The response to therapy as measured by inoculation of mice. II. Interactions among patient variables. US LEPROSY PANEL (US-Japan cooperative medical science program) AND THE LEONARD WOOD MEMORIAL 163
- Study of alleged leprosy bacillus strain H1-75. J. L. STANFORD *ET AL.* 168
- Study of cell-mediated immunity and histocompatibility antigens in leprosy patients in Iran, a. A. MASSOUD, B. NIKBIN, G. R. NAZARI, N. A. SYADAT and F. ALA 341
- Study of cellular and humoral immunity in three species of armadillos. Part I. M. C. SASIAIN, E. D. CAROSELLA, L. M. BALINA, D. M. BREZAVSCEK and A. E. BACHMANN 174
- Study of a growth factor for *Mycobacterium lepraemurium*. I. Minimal medium. T. MORI 167
- Study with nine thalidomide derivatives in the lepra reaction. J. SHESKIN 106
- Suppression of immunity to *Mycobacterium lepraemurium* infection. M. J. LEFFORD and G. B. MACKANESS 101
- Surface markers on lymphocytes and cells of the mononuclear phagocyte series in skin sections in leprosy. M. J. RIDLEY and D. S. RIDLEY 99
- Surface markers on lymphocytes and cells of the mononuclear phagocyte series in skin sections in leprosy. M. J. RIDLEY, D. S. RIDLEY and J. L. TURK 266
- Surgical decompression of nerves in leprosy. An attempt at prevention of deformities. A clinical, electrophysiologic, histopathologic and surgical study. N. J. PANDYA 176
- Systemic immunological reactivity in the absence of delayed type hypersensitivity during murine leprosy. L. W. POULTER 173
- Two methods of demonstrating leprosy bacilli in smears. K. HARADA and T. KASAI 266
- Use of a common Indian herb "mandukaparni" in the treatment of leprosy. S. CHAUDHURI, S. GHOSH, T. CHAKRABORTY, S. KUNDU and S. K. HAZRA 344
- Work of the Leprosy Study Centre in London: a review over 13,000 biopsies, the. A. C. McDOUGALL 103
- Worth Trust, the. A report on their activities. LEPR. INDIA, 1977, v. 49, No 3. 179
