

## CONTENTS

### SPECIAL ARTICLE

- G. L. STONER. Hypothesis: Do Phases of Immunosuppression During a *Mycobacterium leprae* Infection Determine the Leprosy Spectrum? . . . . . 1

### ORIGINAL ARTICLES

- H. HUIKESHOVEN, MADELEINE DE WIT, ANYA SOETERS, J. E. LANDHEER and D. L. LEIKER. ELISA Inhibition Technique for the Demonstration of Sulphones in Body Fluids. II. A New Method to Monitor Leprosy Patient Compliance under Field Conditions. . . . . 11
- R. ANDERSON and E. M. S. GATNER. Changes in Neutrophil Motility Accompanying Dapsone and Rifampicin Therapy. . . . . 19
- L. LEVY. Activity of Four Clofazimine Analogues against *Mycobacterium leprae*. 23
- SURINDER KAUR, BHUSHAN KUMAR, HARI DARSHAN. Choice of Sites for Study of Slit Skin Smears. . . . . 27
- MARIAN J. RIDLEY. The Mononuclear Cell Series in Leprosy. An Ultrastructural Report. 35
- ROSALYN A. DAVIES and YIN YEUN NG. Dapsone Compliance in North-East India. 51
- C. J. CATES. An Assessment of Dapsone Self-Administration in Gudiyatham Taluk. 55
- D. S. RIDLEY, T. H. REA and K. P. W. J. McADAM. The Histology of Erythema Nodosum Leprosum. Variant Forms in New Guineans and Other Ethnic Groups. . . . . 65
- INDIRA NATH, R. B. NARAYANAN, G. K. AHUJA, L. K. BHUTANI and R. SINGH. Selective Loss of *M. leprae* Responsiveness of Circulating Lymphocytes in Primary Neuritic Leprosy. . . . . 79

### OBITUARY

- Dr JOSE RODRIGUEZ . . . . . 91

### LEPROSY AND THE COMMUNITY

- H. W. WHEATE. The National Leprosy Training Centre, Wau-Southern Sudan . . . . . 93

### FIELD WORKERS FORUM

- Courses Programme: 1) All Africa Leprosy & Rehabilitation Training Centre (ALERT) 2) Schieffelin Leprosy Research & Training Centre, Karigiri, South India. 95
- MEDDIA. Leprosy in the Dark Skin.
- ILEP Mailing List.

### NEWS AND NOTES

- Indian Leprosy Association; Annual Report 1979 . . . . . 100
- Central Jalma Institute for Leprosy; Annual Report 1979
- Bombay Leprosy Project
- Conference on Immunological Aspects of Leprosy, Tuberculosis and Leishmaniasis Addis Ababa 1980
- ILEP. 35th Meeting of the Medical Commission—Rome.

### LETTERS TO THE EDITOR

- G. L. STONER—'Does the Suppression of the Immune Response in Pre-Clinical Lepromatous Leprosy affect both Cell-mediated and Humoral Responses to *Mycobacterium leprae* Antigens?' . . . . . 102

### BOOK REVIEWS

- . . . . . 104

### ABSTRACTS

- . . . . . 109
